2021 Price List

The Ultimate Deep Cleaning & Virus Control System.

3 Incredible Products. 1 Immense System.

Transform cleaning by making it faster and safer, whilst achieving outstanding hygiene results on all floors and surfaces, with the DMT System + Virus Control.

Deep Clean

Use JET3 to scrub floors, walls and stairs.

Maintain

Use BLADE to maintain deep cleaned floors.

Transform

Outstanding hygiene achieved on all floors.

+ Virus Control

Use STORM® to disinfect common touch points, and transform all surfaces.

Grab. Clean. Dock

Hangs the DMT system neatly on the wall.

Wall Dock mounts the DMT System + Virus Control to the wall for easy storage.

DMT System - Buy products separately and bundle for your customers needs.
